Construction of New Catholic Church Progressing Nicely

by NANCY BRYAN

There was no Catholic Church, per se, in the early years of Sierra Madre and no regularly organized Catholic parish existed. Originally, those of the Roman Catholic faith along with the Mexican-American laborers who worked in the groves here would attend services in an adobe church in Lamanda Park.

In April of 1908 a Roman Catholic Clergyman from Chicago, the Rev. Father M. W. Barth took a home on Mt. Trail avenue with intent to spend a few months

here for his health. In June of the same year he purchased a lot on Baldwin Avenue between Olive and Granite Heights (now Highland) for the purpose of erecting, in addition to a residence for himself, a chapel at his own expense until such time as the Catholics of Sierra Madre would

be numerous enough to buy ground and build a church for themselves.

Services in this new chapel were conducted by Father Barth early in September. But in early July, and until the new chapel was completed, Father Barth began holding weekly services at the cottage on Lima Street between Central and Grandin (Montecito), the residence of the Rev. Father Webber.

Over the years, services continued to be held in the small frame chapel on east Highland between Baldwin and Mt. Trail. From the earliest modest beginnings and with most able direction, the church grew until it had a well-equipped school, rectory and convent. Finally, on Wednesday, January 21, 1925, Contractor W. G. Schiltz started construction on a church that would seat approximately 600 worshippers. The estimated cost of the building was \$40,000 and it was expected to be ready for use about August, 1925, however the dedication of the church was not until Sunday, October 25, 1925. (Incidentally, W. J. Schiltz also built the present City Hall in 1927 which officially opened January 26, 1928, at a cost of \$24,000. Mr. Schiltz, who still resides in Sierra Madre, was mayor of our town from 1939 to 1942. Interestingly enough, the house he resides in on Highland is the original chapel and residence built by Father Barth.)

For 43 years St. Rita's Church served her parish, which was created in 1910 by the diocese of Los Angeles at the time when the Rev. Father Woodcutter was here — and she has most certainly stored a wealth of memories, extending from extreme happiness to un-

James Jarvis Graduates

JAMES A. JARVIS JR.

Second Lieutenant James A. Jarvis, Jr., 22, a 1968 graduate from the University of California in Berkeley, received his Army Reserve commission through the Reserve Officers' Training Corps program at the school September 6.

As an ROTC cadet, Lt. Jarvis, son of Mr. and Mrs. James A. Jarvis Sr., 532 W. Grandview Ave., was trained in various subjects which provided him with the skills necessary to command.

He earned his commission in the infantry and will report for active duty to Ft. Benning, Ga.

Council Meets Sans Mayor

The Sierra Madre City Council met in session Tuesday evening with a fairly light agenda. This is the first meeting of the year that Mayor Ralph R. Rule was absent, a business trip to Texas being necessary. The chair was aptly filled by Mayor Protem Robert Hartman.

Public hearings were held on Abatement Costs of both 2 West Sierra Madre Blvd., and 694 Sunnyside Lane. The Council concluded that the costs were just and asked for billing to the owners.

Police Mutual Aid agreement with 17 cities was suggested and recommended by Police Chief Jim Zurcher, all within a radius of ten miles of our city. Mutual aid is used in the event of a local disaster or local emergency. The Council approved the agreement and authorized the Mayor, City Clerk and Attorney to sign the agreements on behalf of the City.

Council gave recommendation of a Tree Truck. Motor Grader and Tractor and Back Hoe, as authorized in the 1968-69 budget.

By vote the Council adopted the three policy recommendations by the Parks and Recreation Commission providing for Standards for Providing Certain Recreation Activities, and listened with satisfaction to a report by Councilman Simons wherein he recommended the appointment of one teenager and one senior citizen to sit with the Parks and Recreation Commission.

Sierra Madreans Meet: Officer Leonard J. Sims

OFFICER LEONARD JOSEPH SIMS
... A Qualified Expert

Officer Leonard Joseph Sims joined the Sierra Madre Police Department on December 12, 1966. A very personable man with clear blue eyes and a steady gaze he is indeed a great asset to our community.

A good listener, Officer Sims, who is a family man, possesses a rare, admirable and understandable quality — that of being reluctant to talk about himself. He has a sympathetic and understanding of people in general.

His background in law enforcement is extensive and varied and includes a great deal of investigative experience. In Orange County he qualified as an "Expert" on Firearms, Fingerprints and photography.

With all of this, Officer Sims still finds time to take

an active part in the "Big Brother" program which provides guidance for youngsters that are in need of this sort of help.

We're proud and pleased to have you on our Police Force.

Red Cross Busy This Summer With Programs

Ditty bags, Helpmate, Fourth of July parade, swim program — All of these activities kept the Sierra Madre Red Cross busy this summer.

The ditty bag project was ably carried out by Mrs. Doris Street, chairman, with the help of Mrs. Margaret Van Sicken. Ditty bags are filled with wrapped Christmas gifts to send to all servicemen and women in Viet Nam. Included in the bags were recording tapes, cigarette lighters, cigarette cases, soap dishes, toothbrush holders, playing cards, nail clippers, stationery, ball point pens, candy, and a Christmas card signed by the Sierra Madre Red Cross.

Two hundred and twenty-five bags were sent from Sierra Madre this year, and many people helped to sew the bags, which are red and green and decorated with sprigs of holly. Sierra Madre production chairman Mrs. Louise Mismere and the sewing committee of the Sierra Madre Congregational Church composed of Mrs. Henrietta Hinkley, Mrs. Flora Anderson, Mrs. Leola George, Mrs. Irene Askew, Mrs. Myrtle Heasley, Mrs. Mae Zlatnik, Mrs. Lucile Pickett, Miss Frances Gardner, Mrs. Joy Embree, Mrs. Bess Godeau and Mrs. Joanne Anderson sewed the bags.

Mrs. Street and Mrs. Van Sicken wrapped the gifts and filled the bags helped by Miss Darcy Seaman, Miss Kathy Barrick, Miss Robin Street, Miss Kimzey Van Sicken, Miss Erna Drenth, Miss Leslie Mary, Miss Micki Hagrath.

A Red Cross station wagon participated in the Fourth of July parade with Mrs. Richard Law, Mrs. Betty Rohman, Mr. Robert Duncan, Mrs. Norman Street, Miss Robin Street and Miss Kathy Speckert representing the Sierra Madre Branch.

Plea For Dog Made By Mother

The mother of a 7-year-old Sierra Madre boy is pleading with the community to help her find a dog which bit her son last Tuesday.

If the dog, presumed to be a German short-haired pointer, isn't located, the boy will have to undergo the painful series of rabies immunization shots.

Dermot Begley was bitten on the thigh, wrist and leg while awaiting a school bus in front of Sierra Madre Elementary School at Highland and Auburn avenues. The bites broke the skin in two places, and if the dog isn't found and checked for rabies by October 14, Dermot will have to take the two-week series of shots.

Both Dermot and a woman who saw the dog bite the boy have identified pictures of German short-haired pointers as being similar to the dog which attacked Dermot. It's a medium to large canine, with dark brown and white spots. Its hair is smooth, and its tail short. The short-haired pointer is a hunting dog.

Anyone who thinks he or she knows the whereabouts of this dog in the Sierra Madre area is asked to contact Mrs. Begley at 89 W. Olive Ave., phone 355-4345.

KONKLER GRANTED VARIANCE

At the meeting of the Zoning Board of Appeals on Thursday evening, Donald Konkler, 20 W. Grandview, was granted a variance for a swimming pool that would encroach 16 feet into the 25 foot front yard setback and 9 feet into 15 feet yard separation and to reduce side yard setback to 7 feet and to maintain a 6 feet high fence in the front yard setback.

This is the pool that has caused so much controversy in the city and is credited as one of the major causes for the recent recall election. The pool was erected with a city permit being issued and then a stop order issued shortly before all the decking and landscaping was completed.

The pool was before the Planning Commission on two previous occasions and was granted variances both times. The decision was appealed to the City Council and the variance was denied on a split vote. It has also been the subject of a court suit and is presently again on the court docket.

Frank and Marjorie Bradley, joint owners of an abutting property again presenting a protest against issuing a variance and after a lengthy public hearing lasting three and a half hours the board was unanimous in its decision to grant the variance. The resolution to finalize the act of the board will be presented at its next meeting, Thursday, November 7, at 7:30. This resolution will set forth the conditions under which the board feels the four criteria for a variance were met by the applicant.

After the passing of the resolution the decision will still be subject to a 14 day period in which an appeal may be made to the City Council. If the appeal is entered then the City Council will set a Public Hearing date and the whole matter will again be aired.

This is Fire Prevention Week, and since I am one of the firefighters of Sierra Madre, I am a little biased with my opinions about Fire Prevention and more particularly about fire suppression.

Of course, if I had it as I desire, we would have no fire department at all, hence we would not have any fires. The boys in the Fire Prevention Bureau do a tremendous job in the prevention field and they should be given our heartfelt congratulations.

It is through their efforts that they help to teach our children the tragedy of fire, and how to handle themselves in the event they encounter fire. Many a life is saved through their teachings. Many, many fires are prevented by their diligent work. Remember, when a fire alarm is sounded, the Fire Prevention boys are disheartened, maybe they could have prevented the disaster. In Sierra Madre we have two men who devote their time to the prevention of fires, Fire Marshal Dick Ludden and Fire Inspector Don Burleson, and they do a marvelous job.

This Saturday, October 12, will be open house at the fire station. Do take the time to bring your children around to view the firefighting equipment and meet the firefighters. It certainly wouldn't do you any harm to drop around for a few moments chat. Know the workings of your Fire Prevention Bureau and your Volunteer Firefighters.

Don't forget this is also another big week. It's Sierra Madre Search and Rescue Team Week, and they will have their demonstrations in Wilderness Park on Sunday, October 6, and the Fashion Show to be held Saturday night, October 12.

Proceeds from the fashion show will be used to purchase some much needed clothing and equipment for the team. Your support is earnestly solicited.

I was talking to Ann Hurwit the other day and finally the conversation seemed to get to the game of golf. During the conversation I kinda gathered the idea that husband Ralph was not too accurate in his score-keeping while on the golf course.

Now to me Ralph is a very honest man, and I didn't want to leave the conversation with the idea in mind that Ralph may be doing a little cheating. So I just up and asked Ann if she was inferring that Ralph would do such a thing.

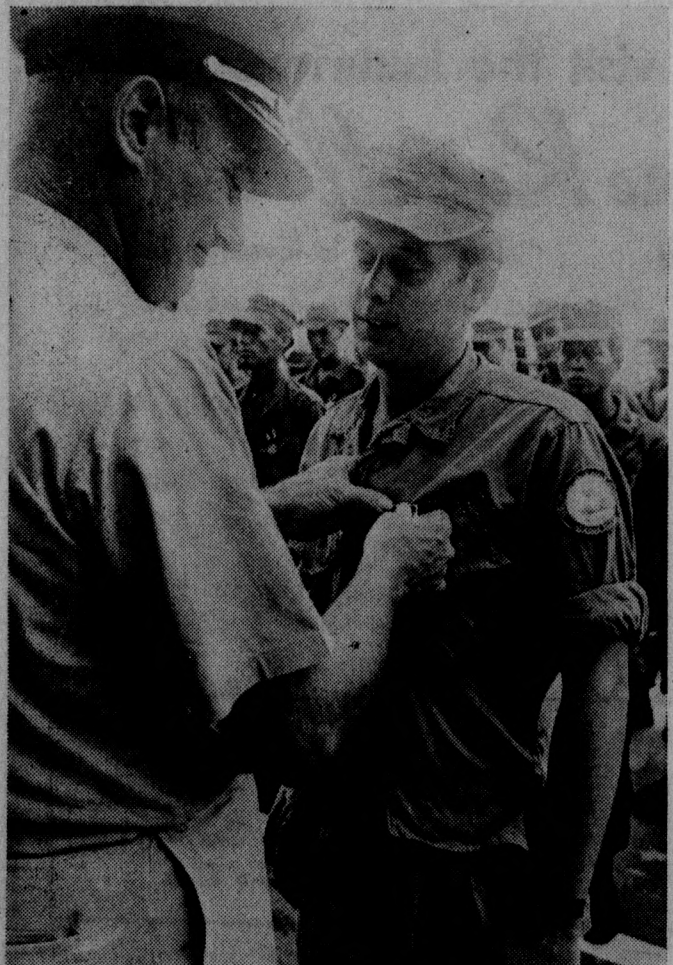

"Oh, no," stated Ann enthusiastically. "Ralph doesn't really cheat at golf. You see, he plays the game for health reasons and a low score makes him feel so much better." ... Now there you have it ... the perfect excuse, if I ever heard one.

I hear via the grapevine that our new "Patrol Cars" are in the area, being painted and outfitted. Soon Sierra Madre will have four black and whites on duty and then you will see things starting to hum. Three units are just not enough to take care of the many, many calls that come from a town with 12,000 population, especially when one is tied up in court or out for repairs.

This will be a welcomed addition to the force for Chief of Police Jim Zurcher. He will rest more easy now that he knows that the desires of the people are being answered. In February, 20

Seaman Rickard Receives Purple Heart Award

CAPTAIN ROBERT S. SALZER, USN presents the Purple Heart Medal to Seaman Perry N. Rickard, son of Mr. and Mrs. Kenneth C. Rickard of 71 E. Alegria for wounds received during a battle between the U.S. Mobile Riverine Force and Viet Cong Guerrillas in the Mekong Delta.

A Navy man from Sierra Madre, has been awarded Purple Heart Medal for wounds received in a battle between the U.S. Mobile Riverine Force and the Viet Cong guerrillas in the Mekong Delta of Vietnam.

Navy Seaman Perry N. Rickard, 21, son of Mr. and Mrs. Kenneth C. Rickard of 71 E. Alegria, was presented the award by Captain Robert S. Salzer, Commander of River Assault Flotilla One, in ceremonies held during a lull in the Mobile Riverine Force's almost continuous operations.

The ceremony took place

aboard the USS Benewah as it was anchored in the My Tho River. The Benewah, flagship of the force, and other ships act as a mobile base for the flotilla's assault boats and three battalions of the US Army's 9th Division.

In a typical operation such as the one in which Rickard was wounded, the Army troops are transported into battle by the Navy's armored troop carriers (ATCs), versatile 56-foot converted landing craft. Each of these boats is capable of carrying

Fire Chief Charles Brown Warns Of Fire Dangers

Thirty-three men, women and children — about the same number of people that live on your block — die in fires every day of the year in the United States, Fire Chief Charles Brown said today.

"The annual death toll from fire is appalling," Chief Brown said in calling attention to the 1968 observance of Fire Prevention Week from Oct. 6 thru 12.

half of these people perish in home fires." The number one cause of building fires is smoking and matches, Chief Brown stated. But it takes people, careless people, to actually start these tragic fires.

"Most Los Angeles County residents are aware of the disastrous brush fires that plague us each summer and fall," the Chief said. "They receive widespread news coverage, and make people aware of the constant threat of fire in our brush and watershed lands."

ORT Of Pasadena Meets For Lunch

The Pasadena Chapter of Women's American ORT, the Organization for Rehabilitation Through Training, will meet for lunch at the Pasadena home of Mrs. Jerry Golden on Wednesday, October 9 at 11:30.

Mrs. Lewis Samuels, program chairman, announced that the speaker will be a representative of the West-side Study Center. The center operates a tutoring program and job development program for the unemployed, underemployed, and educationally deprived men, women and children from Pasadena's black community.

Mrs. Al Helfenbein, education chairman, pointed out that the programs of the Westside Study Center and ORT are very similar. They both offer new hope through vocational and academic training for hard-core unemployed and potential social drop-outs. ORT currently operates over 600 schools in 22 countries offering modern technical courses to Jewish men, women and children in poverty areas.

Luncheon chairman, Mrs. Ray Gorney, will be assisted by Mrs. Norman Pines, Mrs. Jack Grosman, Mrs. Daniel Leibl, Mrs. William Fox, Mrs. Seymour Epstein and Mrs. Joseph Singer.

Garden Reception Follows Marriage Of Bonnie Burke To Louis Jones

MRS. LOUIS COLEMAN JONES
... Nee Bonnie Burke

Miss Bonnie Burke, daughter of Mr. James D. Burke and the late Mrs. Burke, became the bride of Mr. Louis Coleman Jones, son of Mr. and Mrs. Louis L. Jones of Honolulu, Hawaii, on September 14 at 12:30 p.m. ceremony at the Assumption of the Blessed Virgin Mary Church in Pasadena. Four hundred and fifty guests witnessed the marriage of the young couple performed by the Rev. Father Thomas O'Malley.

Mr. James Burke escorted his daughter to the altar down an aisle draped with white velvet rope caught up at each pew with pink and white baby's breath. Two large fern decorations decorated the altar.

For her marriage, the former Miss Burke chose a lovely full-length gown of silk organza appliqued with Venice lace. The design was an A-line skirt with short sleeves, high neck and long train. A two-panel veil of illusion, designed by the bride, was longer than the dress train and was secured by a bandeau of pink and white flowers and green velvet leaves. Her small bouquet was white and pink tea roses, carnations, stephanotis and baby's breath with a pink velvet bow and pink velvet streamers.

Miss Linda L. Dlugosch was maid of honor and wore a high neck, short sleeved, full-length gown, with an A-line skirt, of mint green silk organza trimmed in front with white lace. Matching green shoes and short white gloves completed the ensemble. Bridesmaids, attired identical to the maid of honor, were Mary Sidenfaden, Toni Pulone, Elaine Montgomery, Nancy Cain and Pam Jones, sister of the bridegroom. They all carried small bouquets of pink and white carnations and baby's breath.

Serving the bridegroom as best man was Richard R. Rios. William Webster, Ron Stine, Wayne Snyder, Gary Gillette and Robert Burke, brother of the bride, acted as ushers. Mrs. Blackman was organist for the ceremony and played the traditional selections.

The bridegroom's mother wore a lovely, street length gown with wrist length sleeves in pale yellow lace. Pale green shoes and hat and white gloves completed the outfit. Her corsage was of green cymbidium orchids.

A garden reception was held at the bride's home at 189 N. Canon following the ceremony. Pink flowers adorned the wedding cake, a four-tiered rum cake. Coordinator, Edna Robertson, assisted at the reception.

and Miss Dale Dietrich was in charge of the guest book. Out-of-town guests included: the bridegroom's maternal grandparents from Atlanta, Georgia, Mr. and Mrs. That T. Coleman, and his fraternal grandparents, Mr. and Mrs. Louis Hollister Jones from Santa Barbara; Mr. and Mrs. Niegro from Philadelphia, Pa., aunt and uncle of the bride, and Mr. and Mrs. Robert Campbell from San Francisco. The maid of honor, Miss Linda Dlugosch, is from Des Moines, Iowa, and the bride's brother, a 1st Lieutenant in the U.S. Army, came all the way from Germany for his sister's wedding.

Bonnie is a graduate of Alverno Heights Academy and the University of San Diego College for Women and is presently associated with Dean Witter & Company. The bridegroom is a graduate of Pasadena High School and is now attending Cal State at Los Angeles. He expects to graduate this December with a degree in business administration.

The new Mrs. Jones chose a sleeveless camel color dress with a wide brown alligator belt and matching accessories for her going-away outfit.

After a honeymoon trip to Aspen, Colorado, for the first snowfall of the season, the young couple is now at home at 306 1/2 W. Sierra Madre Blvd.

Supervisor Dorn For Underground Wires In Co. Area

Unsanitary utility poles in unincorporated areas of the county are on the way out. Supervisor Warren Dorn, long an advocate of an underground utility program, made the motion instructing the County Counsel to draft an ordinance to facilitate relocation of telephone and power wires underground.

The ordinance must be adopted before December 31 in order to permit the county to qualify for funds of Southern California Edison, General Telephone and Pacific Telephone companies for the program.

Dorn originally called for meetings between county departments and utility companies to work out details for placing wires underground.

Besides their unsightliness, Dorn said exposed lines present dangers. He cited the huge 1964 Newhall fire, which was started by a stray bullet severing a power line.

Aid, Comfort Given New Neighbors

Christmas in Upper Hastings Ranch is fun for all and Ranch kindness to people in trouble is well known but our close-knit community seldom really knows what a fine, generous group of Pasadena Voters and workers we have up here next to the purple mountains.

The generosity was vividly portrayed to the board of directors last month in a gracious thank-you letter from Mrs. Mary F. Vincent, formerly of 1985 Daveric and now living at 8110 Willis Ave., Van Nuys.

"I was widowed four days after driving across the country with my three young children to join Mr. Vincent already working here. He passed away in a motel on Colorado Blvd.

We moved into the lovely home he had purchased for us at 1085 Daveric since we had no where else to go and knew only two people in California. My neighbors on Daveric, others on Riviera and nearby streets (my children met their youngsters at Don Bento School) just opened their hearts to us and I shall never forget their thoughtfulness to my little family.

They certainly helped me, considerably, to overcome a terrible ordeal. We were there only five months, and were forced to look for a smaller, less expensive house, to which we moved on September 12. I guess it just wasn't MEANT TO BE for the Vincent family to live in your lovely area of Hastings Ranch, but we have brought away many wonderful memories. Please remember us to those wonderful people, and thank you, very much."

ARE YOU GETTING THAT BIG EXTRA BONUS ON LONG TERM SAVINGS?

E. K. DAVIS
President

(Here in the New Accounts department of Pasadena Federal we find there is frequent misunderstanding on the part of both our own customers and the general public as to the nature and advantages of insured-savings Bonus Accounts. To help clarify the matter, we attempt, here, to answer questions most frequently asked about such accounts.)

Q. What is the extra bonus?

A. .25%, or 1/4% in addition to the current annual dividend rate of 5%.

Q. How long must my savings remain to earn the extra bonus?

A. Thirty-six months.

Q. Do I have to wait 36 months for the regular 5% dividend?

A. Not at all! The regular dividend is paid quarterly. It may be mailed to you—or transferred to a passbook account to compound.

Q. When is this 1/4% bonus paid?

A. It is paid in a lump sum on the next regular dividend date following the three years, and quarterly thereafter.

Q. Is the Bonus Account insured, like the Passbook Accounts?

A. Yes. Each Bonus Account is insured to \$15,000 by the FSLIC.

Q. Do I lose the extra 1/4% bonus if I withdraw funds at anytime?

A. Only on the portion that is withdrawn before the end of 3 years.

Q. Must I deposit huge sums in order to qualify?

A. No. You may open a Bonus Account at Pasadena Federal for only \$1,000—and in multiples of \$1,000.

Q. Can I transfer funds I have elsewhere and open a Bonus Account today?

A. Certainly. Just phone us at the main office, 795-8016, or at the branch office, 351-8801. Better yet, drop in and get acquainted.

Bruce Walton, 1145 Pine Bluff, formerly of Hastings Ranch Drive.

A short biography of all the candidates and a ballot will be mailed to every resident of the Ranch the first week in November.

Residents are urged to "Look around and see if you know of a prospective board member, we want this to be an open election. The only requirement is that you have the permission of the person being nominated and that he or she is willing to serve."

Fashion Show

"Autumn Holiday" will be the theme carried out by Circle DD of the Florence Crittenton Home when they have their fashion show brunch on Thursday, October 17 from 10 a.m. to 2 p.m. at the home of Mrs. Jerome Graves in Arcadia.

Honeymoon Trip Up Coast Follows Crawford-Farrell Rites, September 14

MRS. MICHAEL EDWARD FARRELL
... Nee Candace Marie Crawford

The Bethany Church of Pasadena was the setting for the September 14 marriage of Candace Marie Crawford, daughter of Mr. and Mrs. Carl Thomas Crawford of 1360 Sierra Madre Villa, to Mr. Michael Edward Farrell of Menlo Park. The bride was escorted by Mr. and Mrs. Phillip Edward Farrell of Menlo Park, Calif.

The Rev. Gordon E. Christensen officiated at the 8 p.m. rites, a double ring ceremony, attended by over 300 guests. Vocal selections by soloist Dolores Collins were "Wither Thou Goest" and "The Lord's Prayer." The organist was Mary Saunders. White floral arrangements, with a touch of yellow, adorned the church and white ribbon swags with greenery edged the center aisle.

The bride wore a floor length white cage dress with chapel train with re-embroidered Chantilly lace. Sequins and beaded pearls were sprinkled down the front of the gown as well as on the yoke of the gown. A double layered cathedral length veil was secured by a headpiece of orange blossoms. Given in marriage by her father, Mr. Carl Crawford, the lovely bride carried a bouquet of stephanotis and small white orchids.

Mrs. Cathryn Chapler Black was matron of honor and she wore a floor length A-line yellow tulle dress with a satin fly-away panel in the back. She carried a bouquet of white daisy chrysanthemums touched with green.

Other bridal attendants were Miss Cathy Crawford, sister of the bride and Miss Bonnie Boyce, cousin of the bridegroom. They wore floor length A-line lime green tulle dresses with matching satin fly-away panels in the back and carried bouquets of yellow daisy chrysanthemums.

Miss Chris Galbraith was in charge of the guest book. Mr. Patrick McGee served as best man for his cousin's wedding and Roger Shanks, Gary Kief, Dave Cooper and Ron Gass served as ushers.

Dressed in a white dinner jacket, Jeffrey Thompson, nephew of the bride was the ring bearer. Miss Leslie Thompson and Miss Lorinda Thompson were junior attendants while Miss Julianne Bannister was the flower girl. All three are nieces of the bride.

For her daughter's wedding, Mrs. Carl Crawford chose a Pierre Cardin model—a floor length, turquoise lace suit. The bridegroom's mother, Mrs. Phillip Farrell, wore a cage dress of turquoise chiffon with a beaded neckline.

Immediately following the ceremony, a garden reception was held at the home of the bride, where lighted tiki torches lined the driveway to the back and around the pool. Bride and groom swans floated in the pool. The daisy theme in yellow and green was apparent in the table decorations and on the large wedding cake—daisies made of icing and fresh daisies on the top tier of the cake.

Mrs. I. A. Crawford and Mrs. Edward Sandstrom, maternal grandparents of both the bride and groom, were present. Out of town guests were Mr. and Mrs. Delbert Haskill from Modesto; Mr. Kenneth Boyce from

Las Vegas, Mr. and Mrs. Mel Vaughn and Mr. and Mrs. Bob Scobee from Northern California.

The former Miss Crawford, who chose a tailored dress of aqua double knit as her going away costume, attended Cal Lutheran College and graduated from Nursing this past September. Her bridegroom attended San Bernardino Valley College and has been associated with the Boy Scouts of America for many years.

After a honeymoon trip up the coast to San Francisco, Carmel and Monterey the young couple are now at home in Pasadena.

Neighbors

The Williams household on Mira Monte is busy with birthdays this month. Youngest of the three Williams' offspring, Miss Kitten Lynn will be two years old on October 7 and sister, Beth will celebrate her 10th birthday along with Mr. C. Columbus on October 12. Family birthday parties will honor the girls and a trip to Disneyland has been planned for Beth. Big brother, Tom, 10, is happy to help the girls celebrate their birthdays—especially since he will undoubtedly be going to Disneyland too. Beth attends the third grade at Don Benito while Tom is in the 5th grade at Eugene Fields. Kitten stays home and helps Mom! Happy birthday to you both, and many more!

Free Just For The Asking

Camp Fire Girls from the
San Gabriel Valley Council
will be distributing thou-
sands of bright red fire
labels this week, National
Fire Prevention Week, Octo-
ber 6-12, as part of a coun-
ty-wide safety campaign.
The labels are designed to
cover the outside of an
empty one-pound coffee
can. When filled with bak-
ing soda, these cans will be
converted to kitchen fire ex-
tinguishers, approved by the
National Board of Fire Un-
derwriters.

Besides two large block-
letter "fire" warnings, each
label has a space for the
phone number of the local
fire department, police de-
partment, ambulance ser-
vice, and family doctor.

Instructions for treatment
of minor burns, and sug-
gestions for containing dif-
ferent types of small fires
are also printed clearly on
each label.

The campaign starts on
Monday, October 6. Girls
will be out in their neigh-
borhoods with their lead-
ers passing out labels in an at-
tempt to alert and equip the
public, and fulfill a need for
community service, an un-
derlying philosophy of the
Camp Fire organization.

The campaign has the co-
operation of the local fire
departments.

Mr. and Mrs. James Vieira
of Woodland Drive had the
pleasure of a visit for sev-
eral days from Mr. and Mrs.
Glenn Dinnee Jr. and his
daughters Machile and Su-
sie, grandchildren and great
grandchildren from Sarato-
ga. Most of the time was
spent in the pool at the
home of the Vierras' other
daughter, Mrs. Virginia
Christensen on Grandview,
also another daughter, Mrs.
Jean Holtman and her
daughters Linda and Ginger
and son Bob, who reside on
Hermosa. Incidentally Mrs.
Vieira has been hobbling
around on crutches the past
eight weeks and very happy
to be able to get around
with the use of one. She
says she surely appreciates
all the letters and cards she
received and that they have
really been overwhelming.

Council Meets

on an advisory basis.
Ordinance \$30 was given
its first reading, this being
an ordinance, replacing Ur-
gency Ordinance 823 rela-
tive to rubbish receptacles
and front and side yard set
backs in the R-1 zone. Pub-
lic Hearing was set for Oc-
tober 22 prior to final pas-
sage.

All items on the agenda
were completed by 8:50 and
Council adjourned until
Thursday, October 17, at the
hour of 8, for a joint meet-
ing with the Planning Com-
mission.

Rose Float Ass'n Now In Action

It's "that" time of year
again! There's a "hot line"
out to Sierra Madre girls
and boys, 14 through 18
years of age, to sign up as
candidates for Sierra Ma-
dre's entry in the 1969
Tournament of Roses Pa-
rade.

Participants chairmen for
the Sierra Madre Rose Float
Association, Marilyn Skarin
and Jack Mott, have set the
sign up date of Saturday,
October 19, from 10 a.m. to
1 p.m. at the Sierra Madre
City Hall Council Chambers.

The girls will take part in
the annual Rose Sale, giv-
ing a smile and a rose for
contributions to this com-
munity's volunteer fund-
raising and float building
project. They will also be
competing for "tops in
sales," to win Coronation
Ball tickets.

The boys will vie for Rose
Bowl Football Game tickets
through their participation
and "high sales" in the
SMRFA sponsored car-wash.
Following the Rose Sale
and Car-Wash, all of the
participants will be eligible
to compete in the judging
contest for their chance to
ride on Sierra Madre's float.

New Office For Altadena Federal

Construction is moving forward at the site of the Altadena Federal Savings and Loan Association's new regional office in Santa Ana. Walls are already up and the roof is taking shape. In fact, construction progress is right on schedule for meeting the contemplated December opening of the new building at the junction of the Newport Freeway and 17th Street.

Upon completion, the new office will feature: sit-down teller customer desk counter with electronic equipment, an escrow/loan department, customer lounge, 1,200 square-foot community room, drive-up customer service window, main lobby with fluorescent lighting, conference rooms, mezzanine floor, contemporary exterior/interior design, contemporary landscaping, a community electronic message center, and a safe deposit vault.

The new office is designed to better serve the Orange County area, one of the fastest growing sections of the nation. In addition to the initial 7,000 square-foot working area provided, design has been planned to make it possible to add a three-story structure of 9,000 square-feet to accommodate future growth demands.

Fire Chief Brown

year, tragedy in the form of a house fire strikes some place," he said. "We just don't think about it when it happens to someone else."

"Fire Hurts" is the theme of Fire Prevention Week," said Chief Brown. "It serves as a reminder that a fire can leave painful scars on our lives for years to come, but if a problem develops call your fire department at 355-1401 immediately."

The James L. Walters family of Sierra Place have had a busy summer. James and Carmen's oldest, Julie, spent two months in Meico City visiting a schoolmate. She even spent several weeks in that glamorous resort, Acapulco. (How lucky can you get?) James drove with 9-year-old Joanne and 15-year-old Jamie, en-cara-van, with Mr. and Mrs. Rook and their Kenneth and Dawn, to the High Sierras. There they packed in—using horses part of the way and walking the rest of the way. Sleeping out under the stars and being in such smog-free air was most enjoyable. During this week, Carmen went with Jay (11) and Jor (4½) to Capistrano and stayed with friend. All enjoyed his particular vacation very much. (It all sounds like fun!

SPORTS AS Hank Ives SEES IT

LITTLE THIS-N-THAT

DON AUTRY, former All-Cifer from Blair High tied a touchdown for Kansas University in their opening surprise win over Illinois, then suffered a broken leg on a clip against Indiana and is lost for the year. He was voted outstanding sophomore in a Big-8 pre-season poll.

HAVEN'T HEARD much noise out of Jr. Rose Bowl headquarters lately. Like they haven't announced the date yet. Is there still a tie-up with the CCAA, is it a long-term arrangement, or will the JRB feature one of the new breed such as San Diego State, San Jose State, etc.?

BROOKSIDE will not seem the same without pro George Heany about the premises. George is retiring after many moons at the Pasadena public course. Police Chief Sam Addis, also a recent retiree, will be another among the missing since he is moving to the beach.

MUCH ARGUMENT these days over the ramifications of a pitcher winning both the Most Valuable Player tag and the Cy Young Award. Personally Old Hankus feels the MVP is for every day-type players and the Cy Young exclusively for pitchers. On the other hand, Danny McLain has been so outstanding it could be he deserves both awards.

WHILE WE ARE ON BASEBALL the NEA con-

ducted their player poll for the major league All-Star team and it went like this: c-Bill Freehan, Detroit; 1b-Willie McCovey, San Francisco; 2b-Tommy Helms, Cincinnati; 3b-Brooks Robinson, Baltimore; ss-Jim Fregosi, California; of-Curt Flood, St. Louis, Pete Rose, Cincinnati and Ken Harrelson, Boston; p-Denny McLain, Detroit and relief pitcher, Phil Regan, Chicago.

JOHN MCKAY-ism . . . "Out alumni" were elected at the win over Minnesota. If we had lost, they would have been unelated."

REMEMBER EUGENE "MERCURY" MORRIS? He's the West Texas State flash who ate up Valley State in last year's JRB game and finished second to O. J. Simpson in total rushing yardage last year. He already gained 587 in his three contests for the Buffs.

OLD HANKUS off to a roaring start in the pigskin picking derby tabbed 16 out of 20 last week to give him an overall 31-8-1 mark for two weeks. In the "limb-crawler" division he correctly tabbed Michigan over Duke, Kansas over Indiana and Nebraska over Missouri but blew the Ram over Cleveland pick to stand 3-1 in that department.

All three local high schools remain unbeaten and Hankus is tabbing the situation to remain the same. He likes PASADENA over Crescenta Valley Friday night at PCC, MUIR to edge Burroughs Saturday at PCC and BLAIR to dump Glendale Saturday night. AS FOR THE LANCERS their two game winning streak under the co-coaches, Hyde and Tarkanian, will come to a screaming halt. They must venture to EL CAMINO Saturday night and the Warriors have an awesome aggregation that will rank among the nation's top five or six this week. EC by two TDs.

THE RAMS should be able to handle John Brodie and company but the 49ers are always tough, especially in the Coliseum. We'll stick with the Rams in this one. . . . San Diego has been cruising along unbeaten and looking better each week that's why we like the NEW YORK JETS in the first of this week's limb-crawlers. . . . In another we'll take MISSISSIPPI to dump Bear Bryant's Alabamas and TEXAS A & M to upset Florida State.

AMONG THE PAC-8 teams it should go like this. . . . STANFORD to prove rude host to upstart Air Force eleven that comes off of upset over Wyoming. . . . U.S.C. to dump Miami, Florida something like 28-10. The Trojans have long memories and can't forget physical beating administered by Hurricanes two years ago. . . . The same goes for Tommy Prothro's BRUINS who were splattered by Syracuse last year following loss to Trojans. This time make it the Bruins but close. . . . OHIO STATE over Oregon, CALIFORNIA over San Jose State, and OREGON STATE to slip by Washington.

KENTUCKY over Auburn, TENNESSEE over Rice, NOTRE DAME over Iowa, CAL STATE L.A. to knock off Parsons, TEXAS over Oklahoma State and ARK. ANSAS over TCU to round out the tough 20.

BOB SZEMERDI, soccer-style kicker for last year's Lancers, is now at Cal St. Long Beach. . . . Harvey Hyde says Fair Hooker at Arizona State will be a first round draft choice by the pros. . . . Rick Leon, of Fullerton's JRB champs, is now at Hawaii with Dick Hough.

R.C. First Aid Class Offered

A six-week course in instructor first aid is being offered from 7 to 10 p.m. each Wednesday beginning Oct. 16 at the Pasadena Red Cross Chapter House, 430 Madeline Drive.

The classes, sponsored by Red Cross, will be taught by Mr. and Mrs. C. Robert Birkemeier. In order to qualify for enrollment in the instructor first aid course, persons must already have successfully completed courses in standard and advanced first aid.

Interested persons are asked to register in advance by calling the Chapter House at 799-0641, weekdays between 8:30 a.m. and 5 p.m. Ask for extension 65. Class dates are Oct. 16, 23 and 30, and Nov. 7, 14 and 21.

Among Those Joining AAUW

Four Sierra Madre residents number among the 28 new members being welcomed into Arcadia Branch, American Association of University Women," states Mrs. William Littlefield, second vice president in charge of membership.

Mrs. John Heard, Mrs. John Hoffman, Mrs. Eugene Malone and Mrs. Gardner Thurman are the new members hailing from Sierra Madre.

They are joined by the following new members: Mrs. Kiva Auerbach, Mrs. Oris Beuler, Mrs. William Bruggemann, Mrs. Leo Caciotti, Mrs. Daniel Curtis, Mrs. Gordon Dayton, Mrs. Earl Dietrich and Miss Ethel Doctor.

Others are Mrs. James Gilliam, Mrs. Homer Goulard, Mrs. Reed Harker, Mrs. Miles Haworth, Mrs. Charles Hiatt, Mrs. Norman Hoffmann and Miss Margaret Jennings.

Others listed are Mrs. Arthur Lisbin, Mrs. James Loop, Mrs. Sally Miller, Mrs. Earl Petersen, Mrs. H. W. Scarborough, Mrs. Rudolph Silva, Mrs. Leonard Slater, Mrs. Gilbert Sturrock and Mrs. Kaylor Whitehead.

Mrs. Littlefield encourages women graduates interested in AAUW to contact her at 447-9797 or Mrs. Lloyd Brown, 446-9980. Though there are certain educational requirements, no formal invitation is required to join AAUW.

Mrs. Dan Chapel, 1760 Alta Oaks, Arcadia, is hosting a prospective member luncheon on October 12. Mrs. Tom Martin is co-hostess.

one platoon of fully equipped infantrymen through the intricate network of waterways and rice paddies that comprise the Mekong Delta.

Gunfire support is provided by other heavily armored craft including 60-foot Monitors, reminiscent of the ironclad of the same name that fought during the Civil War.

Minesweeping and escort duties are performed by assault support patrol boats (ASPBs), the destroyer-minesweeper of the riverine Navy. These are the fastest and most maneuverable of the assault craft.

Land and water tactics are coordinated aboard a command and control boat (CCB), a well armed and

armored boat which serves both the Army and Navy as an afloat on-the-scene command post.

River Assault Flotilla One, which is a unit of the Naval Amphibious Force, U.S. Pacific Fleet, is homeported in San Diego.

Rickard was graduated from Pasadena High School and attended Pasadena City College prior to entering the Navy February 15, 1967.

Window Painting Contest Again Set For Halloween

The Sierra Madre Parks and Recreation Department and the Sierra Madre Chamber of Commerce again co-sponsor the Halloween window painting contest.

The contest gives boys and girls who live in Sierra Madre an opportunity to paint a Halloween picture on a local merchant's window. Participants must be in grades six through 12. Sign ups for the window contest will be taken, beginning Monday, October 14 at the Recreation Department, City Hall. Participants must bring a sketch of the design at the time of sign ups.

Windows will be painted on Friday, October 25 from 3:30 to 6 p.m. and on Saturday, October 26 from 9 a.m. to noon.

Prizes of \$15, \$10 and \$5 will be awarded to the winners by the Chamber of Commerce at the Halloween program on Wednesday, October 31.

For further information call the Recreation Department at 355-7135.

All you TV fans will have to make a note to watch the Art Linkletter "House Party" Show on November 5, the release date for a show already taped that one of our local citizenry will be appearing on. Yup, Mrs. R. Campbell of 472 Santa Anita Court will be on that program. By the way, she didn't come away without winning something — in this case it was a clock radio. Pretty nice! We'll all be watching, Mrs. Campbell!

From the

FIRE SIDE

By One of the Boys

Here it is "Fire Prevention Week" and all the fire boys are all hipped up, so to speak. Thursday they will demonstrate their engine and knowledge to the school children. First at 9 in the morning and then again at 1:30 in the afternoon. Then on Friday they will do it again at about the same time. They will be at Alverno Heights, Sierra Mesa, St. Rita's and Ascension. The Fire Prevention boys have already taken care of Sierra Madre boys and girls on Wednesday.

— SMVFD —
Of course, on thing is pathetic. You see Firefighters Evans has two children in Sierra Mesa, and he keeps hinting and hinting that he wants to be the "big shot" so to speak when the engine arrives at that school. He wants to sit up on the front seat and steer things. Sure hope that Grippi and Burleson will let him. If they don't he will be hard to get along with the rest of the year. It's a shame that one has to take a very important week such as this to exploit his possibilities.

— SMVFD —
Last year he "foxed" Grippi and won the point, then when it came time in the afternoon, he tried, I said tried to sell Grippi the idea that he had grandchildren at St. Rita's. It just didn't work. This firefighter Grippi is a smart boy.

— SMVFD —
Anyway on Saturday the boys will all be busy at the fire station showing off the engines, and passing out

literature and maybe making a "Junior Fireman or two." The boys really enjoy this sort of thing. You see, it is one of the few times that they can put on their nice blue uniforms and stand around and make nasty remarks at Reserve Firefighter Maurer. You see Firefighter Maurer works for the Sierra Madre News and he just can't afford one of those nice blue uniforms, but he is a good sport; he does most of the work of cleaning up and the boys in blue keep their uniforms clean.

— SMVFD —
As I hear via the grapevine the boys at the fire station held a "special meeting" and in record time they outlined the details for the 48th annual Christmas Dance. You see Treasurer Grippi was out of town, so they spent money just like Proposition 9 had already passed. Brother, wait until Grippi gets back. The fur will fly.

— SMVFD —
Anyway, due to conflict of dates it is necessary this year to hold the annual dance on Saturday, November 30, but it will be at La Salle High School. Remember the fun everyone had last year; well everyone is going to have twice the fun this year. All except firefighter Grippi. So brother, we better cover up our tracks real well and sell lots of tickets, so all the kiddies will be taken care of at Christmas time and next Easter. If the kiddies are all happy and satisfied then Ole Joseph Grippi will be happy.

— SMVFD —
Due to the shortage of time, tickets will be mailed to a select group of people, namely everyone in Sierra Madre, in hopes that they will join the boys in a great evening. And of course the proceeds will go to provide the goodies at Christmas and Easter. It's going to be a lot of fun, and we will give you more about it as time goes on, but mark the date of November 30; you have a date with the fire.

The older I get the more confused I am becoming. When I was very young I always looked to my elders as being wise, strong of character, and a guide or yardstick by which to measure my own standards and thus become a mature adult.

I fully realize that with each generation changes must and do occur but more or less stable and certainly acceptable in most cultures. I speak mainly of morality. This was a lesson learned at your mother's knee since time began. It encompassed honesty, and integrity, as well as sexual morality. We were taught about dirty words and dirty actions, and certainly restraint was a major part of these lessons.

I am wondering what the young people today are going to fall back on when their peers are no longer yardsticks to measure their lives. I don't mean to say that they have swung over to an immoral existence themselves, but they no longer seem to have the will or the courage to stem the tide of amoral behavior in their progeny.

I recently read a printed letter to a columnist regarding a very young teen age girl that through a lot of luck was moral and restrained. Her mother wanted her to take the "pill" so that in case her willpower was shattered at least she would be prepared. That would certainly do a lot to weaken that child's character if the mother was promoting such a routine.

Another comedian, who to me is very unfunny was delightedly expounding on the "pill" as the wonderful break-through medium which is allowing the "anything" goes routine on television. He spoke as if we have been suffering through all of these years and suddenly no holds are barred and any sumptuous insinuation or salacious remark is the key to television success.

We see it widely prevalent in literature. The hallmark of a best seller is how many dirty words you can cram into three-hundred pages and in spite of decency boards motion pictures continue to become increasingly sexually unrestrained.

The question is why? Why are we allowing these things to happen to our young people. True, everything is geared for youth because the majority of the people in this country are under 30 years old. But why are we, as mature adults aiding and abetting this crime against our youths. Is it greed that allows us to break down the barriers that have so long existed? Certainly it has been a financial boom to the nation, but what is to become of these young people that will one day be adults with children of their own to raise. What are they to teach their young ones. Don't do as I did, do as I say.

Producers in Hollywood rationalize that if they don't make the movies with what

they term "creative freedom" they will be made abroad and imported and thus kill our own movie industry.

Statisticians claim that if the trend continues, by 1970 25 per cent of all children will be born out of wedlock. We adults have allowed this to happen by our inertia. We have allowed laws to be passed that make it legal for any rotten, dirty immoral literature or pictures to be sent through the mail, staunchly defended the right of freedom of the press, and allowed as if any square takes exception to these printed words they are reading meanings that were never intended and therefore those that have the courage to fight must have dirty minds.

It is obvious that the adult nation has not the courage or ambition to fight the trend and the return to morality will have to come from that majority of people that are under 30 years old. I hang my head in shame that we have bequeathed this heritage to our young people of this generation and pray that they find the courage to stem the tide that their elders could not!

The "supper club" had an impromptu dinner party last week in the height of one of the electrical storms just because it seemed a good idea to get together and have a Chinese dinner. A. J. and Dodie Huber were the official hosts and the chef was one from an excellent local Chinese restaurant.

Those attending were Chuck and Margaret Klingerman, Ben and Virginia Rogers, Arturo and Maria Elena Gutierrez, Jim and Marian Germain, Ralph and Doris Paquette, Rosemary Wiles, George and Trudy Amthor, and Ernie and myself.

Have a delightful new family on the hill in the former Gleim house. They are Dr. and Mrs. James Laughrun, formerly of Altadena. They have four young children, Christine, who is 12, Diane, 10, Carol, 6, and master David who is just 5. Dr. Laughrun is a Pastoral Counselor in private practice. Mrs. Laughrun, better known as Deane, has already begun to busy herself with some of the local activities. She has just joined the Villa Guild of Rosemary Cottage.

They both enjoy playing tennis, dancing, and bridge as extracurricular hobbies and will find plenty of challengers in all three sports in the local habitants.

Dr. and Mrs. Robert Mueller returned last week from an extended trip through Europe with Dr. and Mrs. Doug Batten, and Dr. and Mrs. John Howard.

They went over to attend two anesthesiology conventions as well as touring through the continent. They bought a VW bus and were

FREEDOM

actions indicate a man likely to stand four-square for United States autonomy and control of its own armed forces? Not in this world — maybe in the next!

In last week's column we also pointed out that Karl Prussion, former FBI counterspy, tell us (and he should know): "During the winter of 1952, at a section political commission meeting of the Communist Party, it was revealed to all comrades that Alan Cranston of Los Altos was preparing to form a new organization consisting of California Democratic Club (CDC). And, at the 1960 convention of the CDC, the entire platform of the Communist Party was adopted in toto."

It is a known fact that the CDC, with the blessings of Alan Cranston, has favored the admission of Red China into the United Nations.

So, here we have a typical example of the liberal big lie smear campaign as it is being waged against Max Rafferty in the race for the United States Senator from California. It is apparent that, according to the liberal double standard, when their candidate smears his opponent, it is termed vigorous campaigning, but when an opposing candidate divulges facts concerning a liberal — that's smear!

— ☆ —

What kind of a man is Alan Cranston's opponent — Max Rafferty? We will cover his background and accomplishments at a later date, but, for now, let us point out that an uneasy people look into a troubled future which will demand strong leadership. There is no place for confused "liberalism" or apologetic appeasers in Washington. It is, rather, a place for a man who believes firmly in peace and morality, in love of country, in obedience to the Constitution and to our laws, and, above all, a man who is not afraid to stand up, speak out, and fight for those beliefs.

Let us weigh the evidence carefully, sift the wheat from the chaff, and let us not become victims of either the big smear or the big lie!

"Anchor Aweigh" Department. Forrest Watts of Sierra Madre was one of 15 men who enlisted in the U.S. Navy through the Pasadena Navy Recruiting Station during the month of September by taking their oath to serve their country. He will be going to recruit training at the Naval Training Center in San Diego.

Congratulations and good luck, Forrest!

The second best way to buy a car.

The best way is cash, if you can spare it. If you can't, use ours. Nobody can give you a better deal than we can because we've got two things going for you.

Free Checking account for the length of the loan. That means no service charge. And since service charges average about \$2.00 a month, you'll save anywhere from \$48 to \$72 right off the top. And that's not all.

Bank interest rate. There are all kinds of interest rates. Some can really sock it to you. Ours won't. You don't have to be a regular customer, either. And as to foreign cars, our foreign policy is strictly good neighbor.

So buy your new car. Pay cash if you can. If you can't, then tap our \$900 million bank roll.

able to travel at their complete convenience, seeing a good deal of Germany, England, France, Spain, Italy, and Austria.

Last Sunday Dr. and Mrs. Clete Dorsey and ourselves invited the "Marching Chowder Society" for a dinner party so that we might all have a recap of some of the trips taken by the group.

Among the guests were Joe and Amy Phillipson. Amy had much to tell about her trip to Japan this summer. Bob and Nancy Mueller and Charles and Chrys Goldworthy told of their trips through Europe. Tom and Betty Taylor, Jim and Jane Smith, and the rest of us were all good listeners and hardly even mentioned San Francisco and La Salina.

'Magic In Motion' Is Theme Of Benefit, Oct. 16

Southland Alpha Chi Omega, NPC, alumnae will make "Magic In Motion" the theme of their twelfth annual benefit on October 16 for the Alpha Chi Omega Scholarship Fund. The Crippled Children's Society, national philanthropy of the Alpha Chi's, administers the fund through the CCS of Los Angeles County.

The fund provides graduate work in the fields of occupational, physical and speech therapy. To date, the annual benefits have netted more than \$70,000 from which scholarships have been maintained at UCLA, USC, Long Beach State and California State College at Los Angeles.

Don Loper, 30 year veteran of California courtier, will present the delightful blend of fashion and showmanship that is his hallmark. His elegant array of clothing will be served up with a modicum of chilled champagne, a magnum of humorous commentary, and the mellow music of Sydney Zaid.

The Southern California Executive Board of Alpha Chi Omega will present the luncheon in the Los Angeles Room of the Century Plaza Hotel.

Completing plans for the event are the co-chairmen, Mrs. Samuel J. Smock of Downey and Mrs. Conrad R. Solum Jr. of Pacific Palisades. Assisting them are Mrs. Melvin A. Wolf, Jr., of Burbank, Mrs. Robert H. Stewart of Arcadia, Mrs. Richard W. Tull of Alhambra, Mrs. Ronald Lema of Los Angeles, Mrs. Max Augustus of Glendale, Mrs. Donald W. Lubach of Rossmore, Mrs. Harold F. Spencer of Chatsworth, Mrs. Robert J. Purdy and Mrs. Raymond Prochnow of Sherman Oaks, and Mrs. F. Edward Chappellear of Rolling Hills Estates.

Sierra Madre women who are members of Alpha Kappa Alpha Alumnae Chapter plan to attend. They are Miss Naomi Gunderson, Mrs. Myron E. Smith, Mrs. Jack D. Kindred, Mrs. Richard H. Kohler, Mrs. John E. Osborn.

This chapter also looks forward annually to its spring fashion show and luncheon which benefits the United Cerebral Palsy Day Care Center in Baldwin Park.

Dave Childers At Berklee School

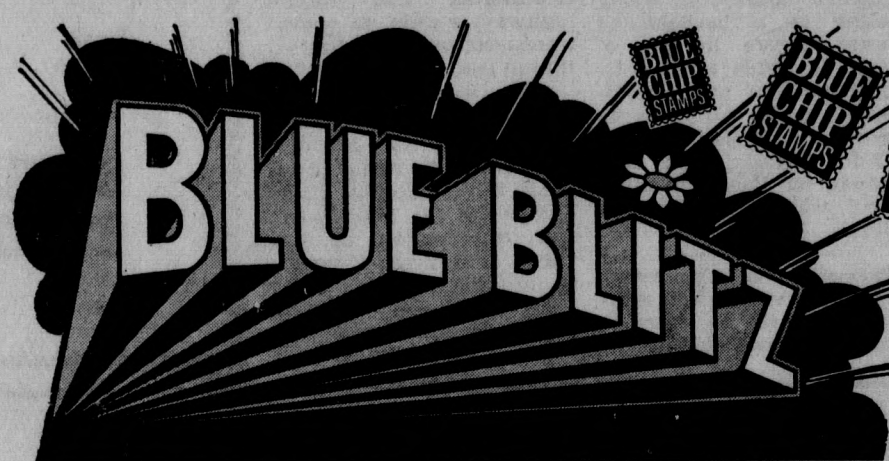

The Berklee School of Music, Boston, Mass., an international college for the study of modern American music, has enrolled David L. Childers, son of Mr. and Mrs. H. L. Childers, 169 Santa Anita Court, in its freshman class of 1967-68. Berklee offers a B.M. degree with majors in music education, composition and applied music. A straight Professional Diploma course is also offered which encompasses all music subjects.

Mr. Childers' curriculum will include courses in arranging, composition, improvisation, solo and orchestral performance, as well as courses in the humanities. Upon graduation from Berklee, Mr. Childers will be qualified as a teacher, musician, arranger and composer.

Letters To the Editor

Dear Editor:
Ouch! The cost of living! Now take the potato, the noblest of vegetables... and the price we pay for good ones for baking and skin-on boiling. And the golden carrot. Prices get higher, bunches get smaller. Now the orange... that lured me to California. I won't be frustrated in my old age and settle for some concentrated stuff in a can. I like 'em big and juicy, and I prefer to partake of them as I would grapefruit. Fifteen cents apiece.

And those important critters, the cattle family. All the dairy products. Milk to nourish us in our childhood and to soothe us in our old age. They sustain us with meat. Supply us with jackets, handbags, shoes... and have been known in emergency to provide shelter. Their final value... bone meal to enrich our soil.

When we are appeasing our appetites with top round, top sirloin, on perhaps on special occasions, filet mignon, and all the other food we humans eat, we can take "comfort" in knowing we are helping to

pay for the Vietnam war, foreign aid, the defense programs, exploring the moon, Social Security, the Great Society... the poverty program... and on and on. And also the big lavish TV commercials. And we think we get free TV! It all comes back on the consumer. In everything we buy, whether it is a house, car or mouse trap.

We are told the employed don't fare so badly. High wages which again, of course, the consumer supports. But prices are higher and there is more for the workers to buy. Payments, payments. We all know fine young employed men who moonlighting. Moonlighting tradesmen are blessings to a neighborhood. Good Mr. Fixits... but what is it doing to their health?

Many married women with children would prefer to stay home, but with the big debt feel impelled to take outside jobs. A full-time job away from home, along with all her home chores, adds up to a mighty long working day. Wonder if wall-to-wall carpets, color TV and all the gadgets are worth it? But the economy must be kept going.

Some retirees are wealthy or comfortably well off, but millions who worked hard during their working years now see their modest resources whittled away. Many newly retirees have company or Civil Service pensions, Social Security, Union pensions and other income. They can happily sing "Praise the Lord and Pass the Annuities"... But there are others now retiring with only Social Security. It just could be, the song they sing is not quite so gay.

**Sixty-One Years Ago:
October 4, 1907**

Dr. W. Javin Barlow of Sierra Madre was chosen dean of the Medical College of the University of Southern California Monday night at a meeting of the faculty. This college, from a very small beginning 23 years ago, has grown to large proportions, one source of pride being the Barlow Medical library and building opened to the students and profession in the Southwest through the generosity of Dr. Barlow.

Carter brothers availed themselves of the last day of the deer hunting season by landing a fine buck in the mountains about five miles above the camp. The animal weighed 133 pounds dressed. It was something of an undertaking to carry it home, much of the way being through thick brush.

The wind of the past two nights has played havoc with a number of tent houses. The sound of the midnight hammer has been heard in a number of places where occupants have been busy nailing down their holdings.

One of the interested visitors to the News office this week was Miss Carrie Holden, sister of Mrs. F. C. Gray, who has recently returned from an Eastern trip. Having been associated with her father in the printing and stationery business in Alton, Ill., and having been through the vicissitudes of moving a printing plant, she was able to offer sincere sympathy.

Dwight Hollister, a former resident of Sierra Madre, passed away on September 21 at his home on Huntington Drive, South Santa Anita. He had been a wholesale egg dealer for many years. He is survived by his wife and two children, Charles and Lillian.

The News is in receipt of postcards this week from two Sierra Madre travelers in the north. W. J. Lawless, who is on a motor trip with a Los Angeles friend, writes from Seattle that the Northwest is the place for a young man. S. R. G. Twycross, who is en route to his old home in Maine, sends a card from Lake Louise in the Canadian Rockies which he says is "some place."

Weekend guests of B. C. Maxwell at "Old Kentucky Home" on Woodland Drive were Mr. and Mrs. P. P. Callahan and their daughter, Mrs. Kathleen Long, of Long Beach.

Dale Straw, of the Canyon Store, flew a Wright Whirlwind Travel Air ship to San Diego on Tuesday. He made the trip of business, carrying with him two passengers. Accompanying him on the trip was a Ryan-Siemens

Travel Air ship. Coming home via the inland route, they encountered cold weather and fog at a height of 16,000 feet. Mr. Straw recently received a government pilot license and mechanic's license from the Department of Commerce.

Joanne Hailey, daughter of Mrs. J. A. Hailey, has enrolled at Westmont College, it was announced yesterday.

Two Sierra Madre boys are among 20 Pasadena High School students chosen to form the first class for a science seminar which started this week under the sponsorship of Caltech. The boys are Peter W. James, son of Mr. and Mrs. Charles H. James, 11 Rancho Road, and Sam C. McDonald, 227 S. Baldwin, son of Mr. and Mrs. N. S. McDonald. Both boys attended Sierra Madre elementary schools.

Youth Ice Hockey Program Begins Season

The Pasadena Hockey Association begins its new season, and invites all boys between the ages of four and 20 to come out and sign up for the program. The Pasadena club has about 100 boys in their program in various age groups.

The Mites are from 4 to 8, Squirts from eight to ten, Peepees from ten to twelve, Bantams from twelve to fourteen, Midgets from fourteen to sixteen, and the Juniors from sixteen to twenty.

The Pasadena club is a part of the Greater Minor Los Angeles Hockey Association (GLAMHA), which is composed of 12 other member teams representing about 900 boys in the various age groups. The game schedule begins in October, competition is keen and the boys have a lot of fun. President Bob Lucas urges all boys from age 4 to 20 to sign up for the program.

For further information call Milo Vandenberg, 714 YU 6-0793; Bev Kennedy, 213 790-2275; D. J. Dewart, 213 447-5526, or Bob Lucas, 213 257-6356.

Robert W. Dietrich Now Freshman USAF Academy

Robert W. Dietrich, son of retired US Navy Lieutenant and Mrs. H. L. Dietrich Jr., 165 N. Canon Ave., is one of more than 1,200 freshmen cadets who have entered the U.S. Air Force Academy class of 1972.

He recently completed the academy's stringent basic training program for acceptance into the cadet wing. The two-month program includes field training at a simulated frontline combat base near the academy, strenuous physical conditioning and survival instruction.

The cadet now enters a four-year course of study leading to a bachelor of science degree in one of nearly 30 fields covered by the curriculum and a commission in the Air Force as a second lieutenant.

Cadet Dietrich is a 1968 graduate of Pasadena High School, where he lettered in football.

\$14,383 For S.M. Select Street Fund

County Supervisors have approved allocation of \$14,383 to assist the City of Sierra Madre in the maintenance of the City's Select System of Street during fiscal year 1968-69, Supervisor Warren Dorn announced today.

Down pointed out that "this type of cooperation is part of a continuing County program of providing financial assistance to its cities to implement the development and maintenance of a coordinated and flexible highway system to provide transportation continuity throughout the County."

The allocation is a portion of the funds currently budgeted by the Board of Supervisors to assist the 77 cities in the County of Los Angeles in the maintenance and construction of their streets which are of general County interest.

Construction of New Catholic Church

fathomable despair, that include baptisms, weddings, first Communions, funerals and so on along with her regular services.

On January 8th of this year, the dismantling of this Romanesque style edifice was begun in order to clear the way for a new church, at an estimated cost of \$600,000. This edifice too, will continue to serve the parish as the former church did.

It is fitting that this new church should be built by a Sierra Madre man too, architect John Andre Gougeon of West Carter. On this his first church assignment, as one observes the building coming into being and also sees the model, you can understand why this man is the recipient of the "Order of the Golden Trowel" presented him by the Southern California Plastering Institute for his selection and best use of materials. The man is truly an artist, just as Mr. Schiltz was in his time.

The architectural conception of the new church was introduced in March of 1966 and showed to be a contemporary southwest approach to the historical theme of the Spanish Missions. A design that will be pleasing and harmonious when viewed from any angle and is most certainly compatible with the total environment, relating to both terrain and mountains in the background. Along with the simplicity and beauty of the edifice, it will be functional. John Gougeon is a man who is sensitive to all around him and gives much thought to all his designs which among other prerequisites to be met, depends on budget, terrain and client. It is a finely not just "another architect" and gives his all to each and every one of his designs.

Contractors for the church, Samuelson Brothers Construction, with Mr. Paul Lukianov as the Job Superintendent are a very inventive, capable organization that possess the amount of imagination and engineering know-how that is required to construct such a structure. Using much Sierra Madre talent — names like Dapper, Osti, Mackell, Root, to name a few — and many sidewalk superintendents — nameless — the construction, so far, has gone along smoothly and with very few problems.

At this printing, the timber roof should be complete, giving the building her final form.

The inside of the building, which faces west, will require very little in the way of applied decor, as its architectural strength is intended to convey the desired mood and will employ simple materials — concrete, small amounts of steel, marble and tile.

Here again the simplicity which has been the basic approach to the total approach is stressed because the architect feels that simplicity makes more of an impression and also allows the worshipper to maintain his own sense of proportion and maintain a frame of mind for prayer without having his thoughts interfered with by his surroundings which must help set the proper atmosphere — yet not distract from it. The use of many wood, as "there is strong expression in wood to tend to give directive force" will definitely direct the focus and emphasis to the altar, which is the intent.

Deep set lance type windows on the north and south walls of the building will be set with the Stations of the Cross beautifully portrayed in stained glass. Lighting will be such that these windows will be visible — and not opaque — at all times. The Stations of the Cross are being done by a former Sierra Madrean, Jos Maes, now of Laguna Beach, who is very prominent and well accepted in his field of work. The design on the reredos wall — the wall behind the altar — will be a joint venture effort by Jos and John Gougeon.

The inside furnishing of the church are being designed by Mr. Gougeon and are presently in the process of being completed. The pews that were formerly

used will still be kept and are being refinished and repaired. Additional pews needed will match the finish and design of the old ones.

In the base of the campanile, which will be poured in place in slip form using approximately 100 yards of concrete — will be the baptistry. This will have a beautiful symbolic stained glass window of birds, crosses and water done by Mr. Gougeon. Underneath the church will be the social hall with an entrance from the east. It will accommodate 800 persons and is designed for complete kitchen facilities and has a platform at the west end — the focal point being reversed to the church.

There will be adequate parking facilities and a large planted area to the southwest of the church. Large walkways around the church and around its entrance will enable worshippers to circulate around the church on the same level. This will also enable entering the church without the climbing of any stairs — which could be a point, depending on the nature of a ceremony or on the physical condition of a worshipper.

So much thought has gone into the design and building of the magnificent church that it is hard to convey by words alone. You really have to see the model, the actual building and talk with the architect, John Andre Gougeon to understand and to really be appreciative.

Much foresight has also gone into the planning and this too, shows great consideration by a man who is both modern and deeply religious. All members of the community will admire this church, and even those staunch admirers of the more conservative building designs will come to appreciate and be inspired. I for one, can hardly wait for the completion of the church and will certainly be on hand for both the dedication and to see the look of pleased admiration on faces of all. Completion is expected to be sometime after the holidays.

The parish of St. Rita's is twice lucky to have had two such fine men associated with the actuality of her church — first, W. J. Schiltz in 1925 and now in 1968, J. A. Gougeon.

Woman's Club Plans Fashions

The Sierra Madre Woman's Club will have a style show benefit at noon, October 16 at their club house, using members of the club as models. A salad luncheon will be served, followed by bridge.

The ways and means committee of the Sierra Madre Woman's Club with Mrs. Flora Anderson, chairman, is in charge of arrangements. Tickets may be reserved by calling Mrs. Arthur Maricq, phone number 355-0591.

Following the style show, guests are invited to play bridge. It has been suggested that early reservations be made. Tickets are \$2 each.

The Sierra Madre Woman's Club has extended an invitation to the local women to attend the luncheon and fashion show as well as the bridge session following. Party reservations for luncheon and bridge may be arranged.

Parks & Recreation

day, October 9 at 11:30 a.m. at the Sierra Madre City Pool. Classes are designed to give the businessman an opportunity to get away from the job.

Club will include physical fitness, weight control, limbering, jogging and swimming. The fee for the ten week class is \$5. Sign ups will be taken at first class meeting. Call the Recreation Department for further information at 355-7135.

An adult tennis class will be held Friday mornings at 10 a.m. at the Sierra Madre Memorial Park. The eight week class will begin this Friday, October 11. The fee is \$7.

Registrations can be made prior to class at City Hall. Call the Recreation Department for further information at 355-7135.

cadia Indians off balance as Coach Kelley substituted freely to keep the score down. The high scoring machine, in three games, has averaged over 44 points per game. Next game for the Midgerts is this Sunday, at Covina, against the Vikings. Game time 3 p.m.

The Pee Wee Bulldogs, winners of their last 2 games ran into an upset-minded Arcadia Indian team which had never beaten a Pasadena team before to win 7-0. The game was a defensive battle throughout as both teams saw-sawed back and forth until the last two minutes when an Indian broke through the Bulldog line to block a punt and fall on it for a touchdown. Next game for the Pee Wee Bulldogs is at La Puente with the Warriors, Saturday, game time 1 p.m.

The high flying Pee Wee Mustangs, running over all opposition recorded a one-sided 38-0 victory over the Azusa Braves, Saturday, Oct. 5, on the loser's field. Averaging well over 30 points per game while yielding a stingy 2 points per game, the Mustangs threaten to capture the Citrus League crown, a prize which was taken away from them by the very team they beat Saturday, the Azusa Braves. The Pee Wee Mustangs are 3-0 on the season.

The suddenly high scoring Junior Bantam Bulldogs crushed the West Covina Hawks 61-6, on the loser's field last Saturday. It took a game for Coach Bill Johnson's eleven to get untracked as they lost their first game, but since then they have won two, including the last cruncher at West Covina. The next game for the rejuvenated J.B.'s is against the Eagles of Eagle Rock, Oct. 12, at Eagle Rock, 3 p.m.

The four teams in 12 games have won 10 while running up 388 points to the opposition's 59.

Senior Citizens

Mrs. Singleton. Coffee was served by Mrs. Nina Dimmick, Marie Peters and Lorea Craig.

Henrietta Symonds gave a reading and as the business meeting resumed the secretary's report was read by Dorothy Crouchy in the absence of Millie Freislinger. The treasurer's report was made by Pearl Patterson. Lucy Fergin told of Pearl Smith and reported Frances Gardner being ill. Edna Grier, Bernice Olson and Henrietta Symonds sang several songs. Mrs. Symonds at the piano, played several solos while awaiting the afternoon program. Mr. William Perigi and his wife Adele were introduced and Mr. Perigi announced "Show Boat" for November 8 and 9 to be given at the Sierra Madre Woman's Club House. Also a concert to be given on November 2 at Pasadena High School; that one is free.

A delightful program was presented by Tom Monihan, baritone; Kim Kirkpatrick, a piano solo; Adolph Gruenfeld, tenor; Kit Faubion, Patty Sue Gunther, pupils of Mrs. Perigi and Leslie Harris, who sang a beautiful number. All of the young people showed much talent and were enjoyed by the members. The program chairman, Lola Bullock has presented many enjoyable entertainments.

Following the business meeting and the entertainment the group adjourned for an afternoon of games.

Civic Club

The letter was sent by Robert J. Wirges, secretary of the Governor's Selection Committee in Sacramento. This program pays tribute and honor to those individuals or organizations which have demonstrated unusual effectiveness in attacking an important public problem without the use of tax money or government resources.

The letter went on to say "that each candidate for this award exemplifies outstanding public service through creative citizenship and serves as an outstanding example in motivating and encouraging other Californians to put their highest citizenship potential to work on California's critical needs."

Civic Club operates the Youth Employment Service, located in the Chamber of Commerce office, 49 S. Baldwin, and has placed hundreds of young people who were seeking employment. Mrs. Mary Durr, YES chairman states, "that just to be considered for this award is quite a compliment."

Members of Civic Club volunteer their time at the center to interview applicants and receive calls from those offering employment. YES is open on Tuesday and Thursday, between 2 and 5 p.m.

Funds to operate the center are raised through the club's ways and means projects and with office expense assistance from the C. of C. Contributions are also welcomed.

Sunday Sermon To Be 'What Is Happiness'?

The Rev. Richard J. Anderson of the Sierra Madre Congregational Church, 170 W. Sierra Madre Blvd., will speak this Sunday on "What Is Happiness?" at the 11 a.m. worship service.

Rev. Anderson says, in commenting on the sermon, "What is happiness? Virtually everyone wants and seeks happiness. The United States Constitution promises the right to pursue happiness, but all of us wonder at times who is successful in finding it."

"Is God interested in your happiness? Or is He more interested in other matters of greater importance? Many are taken by surprise when they realize how many times the Bible speaks of happiness. One of the major themes in the sermons of Jesus is happiness."

"If you were to ask many parents what they wanted most for their children, many would put happiness high on the list. This seems to be a fairly normal reaction when you love someone."

"The Bible speaks much of happiness, but even more important, it tells us how we can enter into personal happiness with ourselves, our loved ones and even God himself."

"Find your fulfillment in your pursuit of happiness in worship this Sunday."

Church school and adult Bible class will be held at 9:30 a.m.

Bronze and Gold Brunch Oct. 10

Mrs. Roger O. L'Heureux, 1920 Lilliano Drive, will be hostess for the annual Bronze and Gold Brunch of Sierra Madre Auxiliary of the Crippled Children's Guild of Orthopedic Hospital to be held today.

Special recognition will be given to the women who have qualified for full membership with volunteer service at the hospital and support of Auxiliary projects during their provisional year.

Receiving gold chrysanthemums which indicate their active status will be Mmes. August Chiary, Larry E. Garland, Jack A. Overhold, Neale A. Perkins and Taylor C. Scott.

Bronze chrysanthemums will be given to the new provisionals who are to be honored by Mrs. Robert C. Poolman, president. Invitations have been extended to Mmes. James Farrell, Tom Omari, William Stone and Gordon Rudolph.

Mrs. Wesley E. Anderson is chairman of the Bronze and Gold Brunch, with Mmes. M. D. Hawley and James P. Abernethy assisting.

Hebrew Poetry Will Be Topic

The Pasadena Shakespeare Club Poetry and Creative Writing group meets Monday, Oct. 21, at Stratford House. Mrs. A. P. Johnson will discuss modern Hebrew poetry. Original poetry and prose will be read by members.

Coffee and dessert will be served by hostess, Miss Florence Bixby. Mrs. William Muehlberger, director.

World's Largest Rummage Sale

World's largest rummage sale, sponsored by Pasadena Auxiliary of Boys Republic, will be held Thursday, Oct. 24, from 9 a.m. to 3 p.m. at the Pasadena Civic Auditorium. Ollie Pickett, star of stage and TV, will be master of ceremonies. President of the organization, Mrs. Louis P. Veloz, states that this sale will offer 100,000 bargains. Twenty-five departments are conveniently set up for the shoppers. Variety and values are to be found in jewelry, clothing, toys, books, hardware, furniture, draperies and art, to mention a few. This semi-annual event takes six months of preparation. Ladies of the Auxiliary and their friends serve as clerks, cashiers and assistants.

All proceeds benefit Boys Republic at Chino. This is a 215-acre farm site which cares for approximately 160 troubled teen-age boys. These youths are receiving a high school education and professional guidance during their stay. This is a non-sectarian, non-profit organization.

Those preparing for the sale include from this area Mmes. James F. Abernethy, Robert D. Henderson, Russell S. Hollowell, Barney Huber, Eugene Malone, William W. Maloney, Christopher P. Robertson, Lee Skarlin and Martin Stormie.

The House That Prayer Builds' Is Oct. 13 Sermon

"The House That Prayer Builds" is the subject of the lesson-sermon of Margaret M. Stevens, minister of the Santa Anita Church, 226 W. Colorado Blvd., Arcadia on October 13 at 11 a.m. Infant and child care is provided during the service.

Graded classes are conducted for children from pre-school through tenth grade after a 15 minute worship service in the sanctuary at 11 a.m. each Sunday. High school youths and Young Adults hold their meetings on the first and third Sundays at 7 p.m.

All women are invited to attend the study class on successful living at 11 a.m. Thursdays, led by Rev. Stevens. There is a time of service and fellowship after the class. "Bring a sandwich and plan to stay in the afternoon," is the invitation.

The Santa Anita Women announce their annual Festival of Grateful Hearts to be held on October 24, 25 and 26.

A new Dynamics In Living Class will begin October 7 at 7:30 p.m. This will be held in Inspiration Chapel. Call 446-8206 for further information.

The Dial-for-Prayer is 447-6162 and the Youth Tele-Truth, 446-2333.

Retired? Children all in school? Need something worthwhile to do for two hours each week? Then be a Sierra Madre Red Cross office volunteer.

People are needed to staff the Red Cross office Monday through Friday in the morning from 10 to 12, and in the afternoon from 1 to 3. Duties are answering the phone, helping with the blood bank files, and being there to assist people who come in for help or information. Call the Red Cross office today at 355-0745, or call 355-3928 if there is no answer. The Sierra Madre Red Cross office is located at 25 S. Baldwin, an easy walk from most places in town.

Holy Communion At Faith Lutheran

Holy Communion will be celebrated in the 10:30 Sunday morning worship hour of Faith Lutheran Church, 485 Hastings Ranch Drive, Pasadena. During the service, the Rev. Armin W. Hesse will deliver a brief Communion meditation preparing the members for the reception of the Lord's Supper.

On Tuesday evening, October 15, Mr. Norman Miller, psychologist, will begin the class, "Children Adolescent Psychology." This class is designed to assist parents in rearing their teenage children. In an age when many influences tug at the youth of our nation, such a class taught from the Christian viewpoint will be invaluable to many of the parents of our community.

Other activities for the week include a Sunday afternoon youth gathering at 3:30, Junior Choir at 7:30 on Tuesday evening, Lutheran Women's Missionary League at 10 on Wednesday morning, Mid-Week Bible hour at 7:30 on Wednesday evening, Weekday School for grades one through six on Thursday afternoon at 3:45, Adult Membership Class on Thursday evening at 8, and Thursday evening Senior Choir at the same time.

Museum Film To Be Shown On October 14

"A King's Story" is the title of the first of the 1968-69 series of the Los Angeles County Museum documentary films to be shown on October 14, at 7:30 p.m. at the Sierra Mesa School Cafeteria. This picture concerns the life of Edward Prince of Wales and Wallis Warfield Simpson.

There will be no museum film shown here in November because of the Veteran's Day school holiday. However this program "Volcano Surtsey" and "Le Mistral," may be seen at the Arcadia Library on November 13.

The museum films will be continued in January, with the showing of "Romeo and Juliet," performed by Nursey and Foneyn.

The programs are presented free to the public by the Friends of the Sierra Madre Library. Mrs. Perry Brown is the chairman.

Bonn envoy pledges greater NATO role.

Fire Prevention

Last year in the United States, 12,200 persons lost their lives in fires. Thousands more were injured. Property damage resulting from fire reached a staggering \$1.7 billion. With care, a huge portion of this shameful waste could have been avoided.

During the week of October 6 to 12, all of us will be asked to redouble our efforts to cut down on this enormous toll of life, limb and property; to check our homes and places of business against hazards which might at some unexpected moment burn us out and threaten our very persons; to remind ourselves that fires can indeed be avoided through the exercise of care.

And this reminds us, Fire Prevention Week is "not just another crusade to be taken lightly." It was conceived, and is repeated at this time every year, as a deadly serious reminder to all Americans that fire prevention is a relatively simple task, but one which must be kept in mind at all times.

How simple it is, for example, to put that cigarette—or match—out before discarding it, rather than tossing it carelessly away, perhaps to kindle a fire with consequences you will never forget.

How simple to clean out that kitchen stove, rather than taking the risk of a badly charred room or gutted home which can be the result of an accumulation of grease.

Fire Prevention Week is a time to think of these things; to throw out old newspapers and other unneeded collections of combustible materials; to check—or have a serviceman check—electrical appliances and wiring and heating equipment. It is a time to pledge ourselves to making fire prevention a year-round job.

That is the message Fire Prevention Week seeks to convey.

Can any of us afford not to listen—and act?

Lo, The Poor Hippy

There's no doubt about it; change is in the air (although we'd like to have more of it in our pocket).

Consider Santa Fe, New Mexico. For long years it has been the mecca of sightseers, and it still is. But with a difference. According to a Santa Fe Chamber of Commerce bulletin: "The tourists used to come here to see the Indians. Now the Indians are coming to see the hippies."

Rewrite "Lo, the poor Indian" to read "Lo, the poor flower child."

Republican Victory

Hubert Humphrey made his first campaign foray into California as a presidential nominee last week and the state survived the boredom.

The Humphrey California trip rather dramatized the dreary state of Democratic presidential affairs. The crowds weren't very good. A residue of "Clean Gene's" picketers was in evidence. Humphrey's statements on Vietnam were confusing to reporters who listened to him. Secretary of State Dean Rusk had to disagree with him on pulling U.S. troops out of Vietnam late in 1968 or early in 1969.

All and the trip didn't stir up much enthusiasm in the contest for California's whopping 40 electoral college votes.

In contrast, Richard Nixon's early visit to the Golden State following the GOP presidential convention drew huge, appreciative crowds.

Elections, of course, are not necessarily won or lost in September, but on the basis of the two candidates' efforts to date Nixon ought to win California and the national election by a substantial margin.

A lot is at stake in California on who carries the state for the presidency. If Humphrey should win, the Democrats probably could hold on to a slim majority in the State Assembly and might hold their own in the Senate. A Nixon victory would assist the Republicans in regaining control of the Legislature. At the moment the State Senate is divided 20 Democrats and 20 Republicans. The Assembly has 42 Democrats and 38 Republicans.

Should the Republicans gain control of the State Assembly then Speaker Jess Unruh would be replaced by a Republican. Unruh, certainly the state's most powerful Democrat, seems determined to run for Governor in 1970 where he may be opposed by San Francisco's Mayor Joe Alioto. Many observers contend loss of the Speakership would reduce Unruh's gubernatorial prospects. Practically, that probably is not so. While the Speaker of the Assembly obviously wields considerable power, a Minority Leader has greater latitude for political movement.

Certainly Republican control of the Legislature would ease Governor Reagan's problems in securing legislative approval of his program, a factor which should strengthen the Governor's hand in approaching re-election time in 1970.

Most significantly, if the Republicans can gain control of the Legislature and hold it in 1970, then the GOP will do the redistricting of congressional and legislative districts following the 1970 census. Just as the Democrats did a good job of protecting their party in districting following the 1960 census, the GOP could be expected to make things easier for itself, given the chance.

Protect Your Health

One of the things most of us take for granted is that when we are ill there will be a skilled professional at hand to care for us and that he will have all the wonders of modern medical technology at his fingertips.

Every day we hear of a new organic transplant or of another wondrous innovation in health care which assures us as a people of a longer, healthier life.

Yet basic to all this is the requirement that the doctor and his backup corps of medical technicians have the facilities to do their healing and the patient have a hospital bed when he needs it.

While California is a recognized leader in meeting the medical needs of its citizens, its needs for expanded and modernized hospital facilities have never been greater. Recent studies of hospital bed requirements, made by the State Department of Public Health, indicate that only 85 per cent of the state's current need for hospital beds has been met.

One critical measure on the November ballot, Proposition 5, has been designed to meet that need. At a time when the state has indicated that funds for hospital modernization and construction can no longer be made from the general fund, Proposition 5 will make possible in their place state-guaranteed or insured loans for construction of non-profit hospital facilities. The program will involve no cost for the taxpayers.

Proposition 5 will assure that Californians will have a hospital bed when they need it. It should be approved by the electorate.

FREEDOM AT ANY PRICE

by
DR. HENRY V. WITTY

Here we go again! The liberal gobbledygook - birds are squawking in an attempt to cover up Alan Cranston's less-than-acceptable past performance by the use of their old standby — the big lie! Alan Cranston has publicly called Max Rafferty a liar, and this, in itself, is a big lie.

In two large ads appearing recently in the Los Angeles Times, we read in bold type, "Max Rafferty, you're guilty of another big smear" and "I trust Alan Cranston. He is a man of reason."

The ads accuse Max Rafferty of wantonly disregarding the truth in claiming that Alan Cranston wants to turn our national armed forces over to international control. Furthermore, the Cranston backers in their ads accuse Max Rafferty of using smear tactics to falsely imply that Cranston wants to recognize Red China.

Within one of the ads, a Mrs. Lee Sherry states: "I trust Alan Cranston as a voice of reason." This columnist can only comment: who is fooling whom? Either Mrs. Lee Sherry is completely unaware of Alan Cranston's past activities and is being used as a dupe, or she is knowingly indulging in a type of smear based upon crude falsification.

Although this columnist is unaware of Max Rafferty having made any such charges as set forth in the Times and, he would be the first to say that there is conclusive evidence to back up such statements.

Those of you who read last week's "Freedom At Any Price" column are well aware of Alan Cranston's past record as exposed by Karl Prussion, former FBI counterspy within the Communist conspiracy. For those readers who missed it, we will again quote it, in part: According to Karl Prussion, "The Dublin Conference (on world government) assigned Cranston to carry its declaration to the United Nations delegates in February, 1946, laying plans for converting the United Nations Assembly into a world government having direct jurisdiction over our nation and the individual, thereby stripping the United States of its autonomy." Further, quoting last week's column, Prussion divulges how Cranston shortly after being elected PRESIDENT of The United World Federalist, went to the notorious Araie Samish with a plea to Artie to use his lobbyist power to force the pro-one world resolution through the California legislature.

Now we ask you: Do these

stay in Norway. With the assistance of the Norwegian Foreign Office, the Norwegian National Office, two photographers besides herself and most of the people of Norway, she made a new film of Norway.

Ethel Hays should be awarded a big fat star for being a well adjusted wife. On a recent business trip, Don invited an associate, Lewis Kelley of Seattle, to have dinner and a swim at his house when he and his wife visited in Southern California. The Kelleys arrived and Ethel planned her dinner, only to find the "Missus" part of the combination was Prudence Penny of Seattle. Did she flip? Did she take a tranquilizer? No. She served dinner without even faltering.

RTD

by

ARTIE DEE
Transportation Editor

This reporter is at a loss to explain the thinking of some of our citizens. The RTD has been criticized for adding new lines, while at the same time, being accused of not improving service. It reminds me of a statement a baseball manager once said of his team, "We can't win for losing." I realize the RTD has room for improvement and I think they would be the first to admit it, but let's give them a pat on the back when they try. Between now and December, the RTD will have added 9 entirely new lines to areas not presently served by the RTD, along with 7 line extensions and service improvements. That means almost 100 new miles of lines for Los Angeles County.

Two brand new lines begin operation October 6th in the cities of Glendale and Chatsworth, with a third line in the West Covina-La Puente area tentatively set for the same date, pending some last minute details. Line 39, long the main line to Los Angeles, will offer two (2) trips inbound in the morning and two (2) outbound in the evening, via the Golden State Freeway. This new route will cut up to 13 minutes from your travel time. The second completely new line, known as the 131 line will connect Chatsworth with Canoga Park, using Topanga Canyon Boulevard. This line will have hourly service 6 days a week. It will now be possible for you ladies to evenly distribute the old man's pay check among all the fine stores in Topanga Plaza. The third line will have to wait until next issue. I still haven't a complete story on it.

I have been disturbed by the questions in my mail relating to Rapid Transit financing. Many of you good folks think it will be paid for out of property tax. Nothing could be farther from the truth. Proposition "A" on the November ballot calls for a sales tax levy, a one-half cent sales tax increase that will cost you and me about 10 bucks a year. As an example, if the sales tax is 4½ cents on a dollar, the tax would increase to 5 cents. If you have any question, just ask Old Artie and I'll get you the answer.

Q. Please tell me what buses to take and where to transfer to go from downtown Alhambra to the UCLA Extension on 11th Street. How late can I get a bus home? Mr. P. T.

A. Ride the 52 line from Alhambra to 7th and Spring, walk one block west to Broadway and catch a 12 line to the UCLA Extension Building. You can get a 52 bus home as late as 12:30 from 8th and Spring. The 12 line runs 'til 3 in the morning. I'll send you both timetables.

Q. Can I go from Rosemead to Pomona without changing buses? I live on Mission Drive, just north of Valley Mrs. L. L. C.

A. The 53 line runs on Valley and you can go to Pomona on either route of that line. I'll send you a timetable giving a route map and times.

Q. I took your advice and rode the bus to the County Fair to avoid the traffic. Now, tell me how to get to Knott's Berry Farm from Baldwin Park. Mrs. T. R.

A. The 53 line on Ramona will take you to 6th and Spring, Los Angeles. Walk east to our RTD terminal and catch the 5S to Knott's. I've sent you both timetables.

Q. My son purchased a Student I.D. Card. Is this the same as the Student Privilege Card he had the last two years? Mrs. J.P.

A. The Student I.D. Card is good for reduced bus transportation only. No goodies. Sorry about that.

Send your questions to Artie Dee, Transportation Editor, care of this newspaper. All questions will be answered in the column, or by mail. A system map will be sent FREE to each person writing in. NO RETURN STAMPS OR STAMPED ENVELOPES ARE NECESSARY.
